Activity #10

Critique two (2) bulletin boards display on the internet. This will give you the opportunity to determine the effectiveness of the display.

Be guided by the following:

1. Take a picture of the two (2) bulletin boards and evaluate them by answering the Board Display Evaluation Form and Evaluation Report of a Bulletin Board.
2. Based on the evaluation sheet, analyze it by answering the given question.
3. Design an enhanced display board using the format given.
4. For purposes of reliability, include this in your e portfolio

Analysis:

1. Did the board display reflect the likes/interests of its target audience? Why? Why not? Yes, since it depicts various hobbies and inspirational messages that cater to the audience's preferences. Additionally, it demonstrates the design's originality and draws viewers.

2. Was the language used clear and simple for the target audience to understand? Why? Why not?

Yes, the audience could comfortably grasp the English since it was straightforward.

3. What do you think was the purpose of the board display? Was it effective? Why? Why not?

Display boards aid in visual learning, which benefits students' education. Teachers use display boards to display pictures related to the lesson's topic. Display boards are a great addition to any classroom. They support visual learning and interactive teaching while also assisting kids in growing as individuals and expressing their creativity.
